Dani has always wanted to work as a secretary for a big company, and this was going to be her chance to get the job she wanted. She immediately filled out the application form online and attached her CV. She had over ten years of experience as a receptionist and felt confident she could do the job. A few days later, Dani received an email inviting her for an interview. She was so excited, but very nervous at the same time. She also wanted to make a good impression, so she made sure she was on time for the interview. On the day, they asked her lots of questions and asked her about her previous work experience and skills that she got from that job. Dani had to fill out some forms with important information.
